PROFILE

A student growing in artificial intelligence through structured ML coursework, C++ practice, and global leadership training. I bring hands-on experience coordinating school-wide programs, revising operational systems, and leading cross-functional teams. I'm particularly interested in how AI can be used to improve learning environments and support community initiatives.

EXPERIENCE

Dicoding Course - Artificial Intelligence Fundamentals

Nov 2025 - Present

Active Participant

- Completed ~30% of the course covering machine learning and AI fundamentals.
- Studying basic ML concepts and how models are trained and evaluated.
- Practicing C++ fundamentals through algorithm tasks and small exercises.
- Learning about real-world AI applications and deployment workflows.

Aspire Leaders Program Cohort 5

Nov 2025 - Present

Selected Finalist (Top ~54,000 applicants)

- Selected as a finalist from ~54,000 applicants in a global leadership development program.
- Completed 2 leadership modules focused on self-reflection, ethical leadership, and technology for social impact.
- Attended 2 global masterclasses on leadership, technology, and social impact.
- Engaged in structured discussions and case analyses with peers from diverse backgrounds to propose community-centered solutions.

Student Council - MAs Al Haris

July 2022- June 2024

Head of Security Department

- Oversaw school-wide discipline and daily security operations for the entire boarding school.
- Revised and improved approximately 50% of the existing conduct and security rules.
- Monitored student behavior and enforced the updated guidelines across the whole dormitory.
- Implemented a structured reporting workflow to communicate incidents to teachers.

Prom Night Main Drama Production – MAs Al Haris

May 2024 - June 2024

Head Coordinator

- Led the planning and execution of the main drama performance for prom night.
- Coordinated a 20-person team (cast, crew, and technical staff).
- Managed script development, rehearsal schedules, and stage-blocking plans.
- Oversaw timing, transitions, and technical cues to ensure a smooth performance.
- Collaborated with teachers and event leads to match the show with the prom theme.

ISRA' MI'RAJ Celebrating Competition - MAs Al Haris

2024

Head of Committee

- Led a 20-member student council team in organizing a full-school celebration event.
- Designed the event flow, timeline, and competition structure.
- Oversaw logistics, registration, technical preparation, and on-site execution.
- Managed decoration design and ensured the theme aligned with the event purpose.
- Supervised the entire event day for the whole school to keep every segment on schedule.

- Created 100% of the English and Arabic language rules, as the first-ever student council cohort.
- Implemented a full-school language system to ensure daily English and Arabic usage.
- Oversaw compliance across the entire student body and enforced disciplinary actions when necessary.
- Coordinated routine monitoring to maintain consistent language practice school-wide.
